

CM39 KEY CONTROL MEASURES

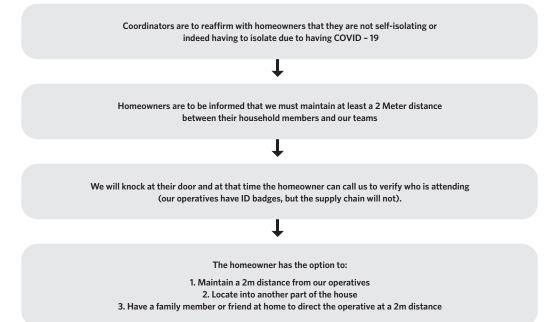

HAZARD: GUIDANCE FOR SIMCOTT GROUP WORKING IN CUSTOMER PROPERTIES (OPERATIVES AND SUPPLY CHAIN)

It is our top priority to protect our workforce and homeowners in these times if there are any doubts please ask your line manager for guidance.

No work should be carried out in any household which is isolating or where an individual is being shielded, unless your work is to remedy a direct risk to the safety of the household, such as emergency plumbing or repair.

No work should be carried out by a tradesperson who has coronavirus symptoms, however mild.

ARRANGEMENTS PRIOR TO ENTERING THE PROPERTY

WORKING INSIDE THE PROPERTY

The operative is to wear gloves, overshoes, disposable overalls and face mask while in attendance.

- 1. If cutting of any material is required, it should be undertaken outside if possible 2. If the property is occupied the homeowners cannot be present in areas being cut / accessed
- 3. If cutting in the property is required dust extraction must be used and fully cleaned immediately after

The operatives are to politely decline any refreshments that may be offered

1. Sign off sheets are no longer essential

2. Gloves and overshoes are to be taken off carefully not touching any external surface of the glove or shoe protector

Ļ

On entry to the home you should wash your hands using soap and water for 20 seconds. You should wash your hands regularly, particularly after blowing your nose, sneezing or coughing, and when leaving the property. Where facilities to wash hands are not available, hand sanitiser should be used, and you should carry this with you at all times.

 Disposable overalls should also be disposed of in the same fashion as above
If reinstating plasterboard in occupied premises we will only undertake the first coat of filling as rubbing down causes dust. A return visit will be required
If there are any doubts, contact the office for guidance
